About the Conference

EFAO's annual conference draws farmers, growers, and food producers for two days of intensive learning, idea-sharing, networking and celebration with good food and friends. With over 350 attendees, the EFAO Conference connects you with people who care passionately about farming and food in Ontario and beyond.

About EFAO

The Ecological Farmers Association of Ontario (EFAO) supports farmers to build resilient ecological farms and grow a strong knowledge-sharing community.

Established in 1979 by farmers for farmers, EFAO is a membership organization that focuses on farmer-led education, research and community building. EFAO brings farmers together so they can learn from each other and improve the health of their soils, crops, livestock and the environment, to steward resilient ecological farms.
